WHO WE ARE

Maranje Consulting (Pty) Ltd is a dynamic professional consulting firm with extensive expertise delivering engineering solutions across diverse projects. Founded in 2007, our company is officially registered under the Companies Act 71 of 2008 with the Department of Trade, Industry, and Competition.

As a proudly 100% black-owned business, we are led by a highly qualified Civil & Structural Engineer registered with the Engineering Council of South Africa (ECSA). Our firm is also a proud member of CESA and SABTACO.

Maranje Consulting operates under a certified ISO 9001 quality management system. This ensures the team consistently delivers solutions that meet the highest quality standards.

CAPABILITIES

Our team comprises highly skilled professionals with extensive experience in the infrastructure and built environment sectors. To ensure seamless project delivery, we provide robust support to our registered professionals through a dedicated team of technical and administrative staff.

We employ a diverse range of technologies tailored to each project's unique requirements, enabling us to consistently deliver high-quality work and innovative solutions to our clients.

We have our head office in Centurion, Gauteng with satellite offices in Thohoyandou, Polokwane and Durban.
